Are you aware of your child's safety while traveling?

GET INFORMED

The Rules and Procedures Regulation entered into force to acquire the guidance certification for the proper installation of car seat for all drivers who carry in the car a child under the age of eight, according to the law 22-2000, known as the "Puerto Rico Vehicle and Traffic Law" in Article 13.03.

These are the fire stations where you can get the certification:
